**PRINCE2 Programme Management® (MSP) represents proven best practice in the successful delivery of transformational change through the application of programme management.**

The 5-day program comprises a 3 day Foundation Module followed by a 2 day Practitioner Preparation Module. These can be taken together or separately.

## WHO SHOULD ATTEND?

**The Foundation & Practitioner course is ideal for:**

- Senior Executives
- Programme Sponsors
- Programme Managers
- Business Change Managers
- Programme and Project Management Consultants

Foundation is invaluable for individuals who are interested in learning how to manage multiple projects and programmes successfully. It is designed to support programme or project managers, people working in a programme office, business change managers, and programme and project delivery team members who wish to gain a greater understanding of the PRINCE2 Programme Management guidance to work more effectively in large scale project or programme environments.

Practitioner is designed for project, programme and business change managers who want to apply the PRINCE2 Programme Management framework to real-life scenarios. Practitioner is a must-have certification for both project and programme management professionals who need to deliver organizational value for their employers and to boost their careers.

## LEARNING OUTCOMES

- Recognise a programme, and how it is different to a project
- Apply PRINCE2 Programme Management theory in practice
- Effectively control the start, progress and closure of a programme
- Integrate the PRINCE2 Programme Management themes and processes into a programme
- Establish a programme organisation and manage the appropriate stakeholders
- Apply the Programme Management Principles across the life of the programme
- Establish a Programme Office to support a programme
