

PRINCE2® 2017

Foundation & Practitioner

Fully accredited training program including Axelos Certification

Duration: 5 days

PRINCE2® is a preferred project management methodology of business and government around the globe. It provides a proven best practice model that ensures project delivery is on time, on budget and of high quality.

The 5-day PRINCE2 2017 program comprises a 3 day Foundation Module followed by a 2 day Practitioner Preparation Module. These can be taken together or separately.

Which Option Should I Choose?

The full 5-day PRINCE2 Practitioner Certificate Program is designed for current or aspiring project management professionals who need to fully master this leading PM method and at the same time obtain a globally-recognised certification. The course provides a very comprehensive coverage of PRINCE2 including the 7 PRINCIPLES, 7 THEMES, 7 PROCESSES as well as full preparation for the Foundation and Practitioner Certificate exams. The PRINCE2 Foundation Certificate Course taken on its own is designed for those who are not necessarily aspiring for professional level knowledge but who nevertheless require a sufficient understanding of this project management methodology.

Pre-Requisites

There are no pre-requisites for the Foundation level. However to be able to continue onto the Practitioner level, the participant must have completed the Foundation level successfully.

Learning Outcomes

After completing this course, candidates will understand the structure and key terminology of the method. Specifically the candidate should understand:-

- Understand all aspects of the PRINCE2 methodology
